FEDERAL BUREAU OF INVESTIGATION

Date 6/14/68

MICHAEL SLOMICH was contacted at the residence of [REDACTED] San Mateo, California, during the evening of June 5, 1968. He was interviewed in the presence of [REDACTED]. He stated that he is at present [REDACTED] San Francisco, and resides at [REDACTED] Street, San Francisco, California.

MICHAEL SLOMICH stated that he attended Pasadena City College approximately one and a half years and subsequently attended University of California at Los Angeles from approximately February, 1966, to December, 1967, at which time he graduated.

MICHAEL SLOMICH stated that he is aware that there is a Syrian-Lebanese Cultural Center, possibly known as the Syrian-Lebanese-American Cultural Center, located on Hollywood Boulevard near Sunset Strip. He stated that this group is a far right group, and he has knowledge that in the past the organization has permitted the American Nazi Party to utilize their headquarters to hold meetings and conduct action against "peace" demonstrators and to "eliminate traitors." These meetings occurred in approximately August 1967.

SLOMICH stated that he may have seen SIRHAN BISHARA SIRHAN at some of these meetings or in connection with this group. SLOMICH said he is not positive at all that he has seen SIRHAN and states he has no acquaintance with him.

SLOMICH further advised that in Pasadena, California, on Colorado Boulevard, across the street from Pasadena City College, a bookstore known as the Americanism Book Store was formerly located. This store is now out of existence and has been gone for approximately two years. MICHAEL SLOMICH stated this book store was operated by a former Navy Petty officer whose name he does not recall, and it is his impression that in its stock it carried the far right Arab literature which was strongly anti-Semitic. He stated that he felt this could

be significant in that SIRHAN was from Pasadena.

Further interview with MICHAEL SLOMICH elicited from him the fact that he attended DuBois Club meetings at the University of California at Los Angeles from approximately February, 1966, to December, 1967.

b7C [REDACTED] SLOMICH stated that in his association with the DuBois Club, which also included three city-wide meetings and twelve city-wide parties, he had never observed SIRHAN at any of these affairs. He indicated that he considered the DuBois Club to be a conservative-type organization composed of middle-class students who were rebelling against their parents. It was a non-militant, nonactive group interested principally in theory. He advised that the DuBois Club at Pasadena City College was never active to any extent.

In addition, MICHAEL SLOMICH stated that he was in the Students for a Democratic Society (SDS) at the University of California at Los Angeles from February, 1966, to December, 1967, and attended many meetings of this organization. He expressed the opinion that he knew everyone in the SDS in Southern California, including students from University of California at Los Angeles, Pasadena City College, Los Angeles City College and University of Southern California. He stated that he does not recall SIRHAN as ever being in attendance at any of these meetings, nor was he known to him in any way through these activities.

SLOMICH advised that he is presently active in the SDS at San Francisco State College and has been one of the activists protesting the Naval ROTC unit on the campus, and that he has been involved in the current demonstrations at this school.

[REDACTED] San Francisco Police Department Switchboard Operator, advised that at approximately 8:20 p.m. on June 5, 1968 she received a call from an unknown male who advised he was calling from Muncie, Indiana. The caller asked if the assassin of KENNEDY was being held in San Francisco and she told him that he was not. The caller then stated "It's a good thing he isn't and in fact whoever has him should guard him closely as I intend to kill him." The operator transferred the call to one of the police department inspectors and he talked to the man for only a few seconds before he hung up. Apparently he made this same threat to the police department inspector. An attempt was made by the police department to trace the call through the Muncie, Indiana operator which was unsuccessful since the caller had hung up. It was determined through the operator that when the man placed the call he had given a non-existent telephone number as the number he was calling from.

JUANITA OLMSTED, [REDACTED] Sunnyvale, California, advised on June 6, 1968, that at 12:30 p.m., she was at a bus station in Los Angeles. In the waiting room of the bus station she observed a young man sitting down and reading a book. There was another young man sitting next to him, however, she did not know if these two men were together. OLMSTED described the young man in question as possibly identical with SIRHAN SIRHAN. She noted the man wore tennis shoes and blue jeans. OLMSTED said that this man appeared to possibly be identical with the KENNEDY assassin whose picture she has observed on her TV which gives a relatively dark picture.

b7D [redacted] Calistoga, California, telephonically advised on this date that one LOUIS BARDES, owner of the Green Hotel, Calistoga, has identified a photograph of SIRHAN BISHARA SIRHAN as being identical to one BELA FOLDI, who registered at the hotel in September, 1957. FOLDI gave his address when registering as Countryside Hotel, LaGrange, Illinois. He stayed in Room 8 at the Green Hotel, and was employed at the Colonial Cafe in Calistoga. Upon departure he gave a forwarding address of [redacted] Hollywood, California.

[redacted] stated he personally did not feel there was any credence to the statement of BARDES since JOE GUERRERO, owner of the Colonial Cafe, who was the employer of FOLDI, says the photograph of SIRHAN BISHARA SIRHAN is not identical with FOLDI. However, BARDES made such a "stink" around Calistoga that he felt he should call this office. Two letters addressed to FOLDI, one from Las Vegas and one from Hollywood, are in possession of [redacted] if needed.

(ANPLA), Also Known As The
American Nazi Party
Western Division (ANPWD)

A source advised on August 2, 1966, that the American Nazi Party, Los Angeles, California (ANPLA), which branch has also been known as the American Nazi Party, Western Division (ANPWD), maintains its headquarters at 4375 North Peck Road, El Monte, California, and that RALPH PERRY FORBES is the Captain in charge of the Western Division.

At a press conference on May 2, 1963, in Los Angeles, California, RALPH PERRY FORBES stated he was at that time a Lieutenant in the ANP and the ninth-ranking officer of the organization. He stated he arrived in Los Angeles May 1, 1963, to take charge of the party's headquarters in the Los Angeles area, which has control over party activities in the Southwestern United States.

The late GEORGE LINCOLN ROCKWELL, self-styled national commander of the ANP, arrived in Los Angeles on May 6, 1963 and was photographed by the local press with RALPH PERRY FORBES.

APPENDIXSTUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam and to "radically transform" the university community, and provide for its complete control by students. Gus Hall, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us". At the June, 1965, SDS National Convention, an anticommunist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes", the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The national headquarters of this organization as of April 18, 1967, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

W. E. B. DU BOIS CLUBS OF AMERICA (DCA)

A source advised that on October 26-27, 1963, a conference of members of the Communist Party, USA (CPUSA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. Du Bois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention.

The second source advised in September, 1966, that Mike Zagarell, CPUSA Youth Director, stated that in Negro communities the Party still supported the plan to build "left" socialist centers and to solidify the Party base through the DCA. This source also advised in September, 1966, that Daniel Rubin, CPUSA National Organizational Secretary, stated the Party believes the DCA should have a working-class outlook and be a mass organization favorable to socialism, socialist countries and Marxism, and in April, 1967, advised that Gus Hall, CPUSA General Secretary, indicated the DCA primary emphasis should be on developing mass resistance to the draft.

A third source advised in September, 1967, that Jarvis Tyner was elected chairman of the DCA on September 10, 1967, at the Third National Convention of the DCA held in New York, New York, from September 8-10, 1967.

A fourth source advised during August, 1967, that Jarvis Tyner is a member of the National Committee of the CPUSA.

A fifth source advised on September 21, 1967, that the headquarters of the DCA is located at 34 West 17th Street, New York, New York.

[redacted] was interviewed at [redacted] [redacted] stated he is a self-employed [redacted] Santa Monica, California. [redacted] and [redacted] born [redacted] has resided in Santa Monica, California, for the past four years.

In May, 1967, he became irate at an attorney, [redacted] since [redacted] was assisting draft dodgers in the Los Angeles area. He said he has two sons in the military service and does not condone this type of activity. He issued a complaint to the American Bar Association concerning [redacted] however, when they did not appear to take any action, he decided to conduct his own investigation in an effort to obtain evidence against [redacted]

In connection with this, he has attended numerous anti-draft and peace movement meetings in the Los Angeles area. His primary source of information concerning these clubs and meetings was obtained through a coffee shop formerly located at Venice Boulevard and Ocean Highway in Venice, California, and a meeting place for the W. E. B. Du Bois Club.

b7C
b7D He remained anonymous at these meetings to the extent that he never furnished his full name and used the name [redacted]. He did not take an active part in any of these meetings, but merely listened and mingled with those attending.

[redacted] stated shortly after January, 1968, he discontinued attending these meetings since this endeavor was costing considerable time and money and he did not feel he was obtaining sufficient results to execute the disbarment of [redacted]

He said, however, when reading the account of the assassination of ROBERT F. KENNEDY, he observed the address of SIRHAN SIRHAN at 696 East Howard Street, Pasadena, California, and felt this address was familiar to him. He stated, however, he viewed photographs of SIRHAN SIRHAN in the newspaper and did not connect either the name or the individual

with this address. He said to his knowledge, he has never seen SIRHAN SIRHAN or heard his name prior to June 5, 1968.

As a result, he began reviewing various documents and notes he had obtained from attending anti-draft meetings and on five separate documents, spotted the Howard Street address.

He said he could not recall the significance of the addresses on Howard Street, except that it must have been furnished to him as an address for draft counseling

[redacted] continued that the address of 696 1/2 East Howard Street, Pasadena, California, appears with the name JOANN on a Peace Exchange Calendar for May, 1967. He said this is a pencil notation written on the side of the calendar opposite a notice for a meeting on May 10, 1967, at the Workmen's Circle Cult Center, 1619 South Robertson Boulevard, West Los Angeles, California. The caption of this meeting was entitled, "A Progressive Israeli's Interpretation of Problems in the Middle East". Avri Fischer of Kibbutz Kfar Masryk, Israel.

[redacted] said he attended this meeting and as best he can recall, this address would have been furnished to him by JOANN (last name unknown), who was also in attendance at the meeting. He recalls JOANN being present at numerous meetings he attended and especially at W. E. B. Du Bois Club functions.

He described JOANN as a Caucasian, female, 24 to 25 years of age, five feet six inches in height, dark hair, and below average intelligence. He commented that most of the individuals attending these meetings were college students, however, he did not feel JOANN was a college student.

[redacted] said the address of 696 East Howard Street, city not listed, also appeared on two Draft Counselors lists which had been obtained through attending anti-draft meetings. He said again the address is merely penciled in on the side of a typewritten list and he could not recall the reason for

the address, except that it must have been in response to telephone soliciting which he made. He clarified this by saying, upon obtaining a Draft Counselors list, he would make pretext telephone calls to individuals on the list and on many occasions was referred to a specific address for draft counseling. He said the address of 696 East Howard Street must have been given to him for this purpose.

[redacted] also discovered the address of 696 East Howard, Pasadena, on a slip of notepaper and next to the address was the name [redacted]. Again, he could not recall the significance of this address or any connection with the name [redacted] and the address. He said he did not know anyone by the name of [redacted] and could only surmise that it might have been a code name to be used at 696 Howard Street for obtaining draft counseling.

b7C
b7D

He also discovered a Security First National Bank Check Order Blank concerning [redacted] and [redacted] Pasadena, California, which contains the handwritten name and address of [redacted] on the back of the order blank and under her address is the address 688-696 East Howard Street, and the name [redacted]. As he recalls, he must have obtained this address from [redacted] at an anti-draft meeting, however, he could not recall anything additional concerning [redacted].

[redacted] said he furnished the original of all documents, containing any addresses relating to the Howard Street address, to the Intelligence Division of the Los Angeles Police Department, however, he was continuing to go through all his records to determine if there are any other references to the address.

Mrs. RACHAEL PHILLIPS, [REDACTED] was interviewed and she advised that back in 1966 and the Spring of 1967, she attended about six meetings of the Los Angeles Committee for Defense of the Bill of Rights. These meetings were held at various locations in Los Angeles and the exact dates and places of the meetings could not be recalled by her. Mrs. PHILLIPS stated that she has recently seen photographs of SIRHAN SIRHAN in the newspapers, and this made her recall that she believes that she had seen this individual at some of the meetings of the Los Angeles Committee for Defense of the Bill of Rights, mentioned above. She stated this individual did not take an active part in these meetings, was a loner, and usually said nothing at all.

PHILLIPS was shown Los Angeles Police Department photographs of SIRHAN taken June 5, 1968, and she advised that this is the same individual whom she recalls attending the meetings noted above.

LOS ANGELES COMMITTEE FOR DEFENSE OF THE BILL OF RIGHTS,

A source advised in May, 1968 that the LACDER has expanded its former scope of interest relating to the foreign born, and has become a militant general defense organization allegedly seeking to safeguard the rights of all individuals, including the Foreign Born, as well as those seeking to avoid military service in the Armed Forces of the United States.

The LACDER is a non-membership organization which is represented by an Administrative Board of about 125 individuals from loosely organized area committees interested in the work of the LACDER. These board members are invited by ROSE CHERNIN, Executive Director of the LACDER, who is the guiding, dominant, and motivating force behind the LACDER. Los Angeles, (telephone [redacted]) advised that he is an organizer for the United Farm Workers Union, stated that his residence also serves as his office, and furnished information as follows:

CHANDLER advised that he attended Pasadena City College, the academic year 1964-1965, at which time he attempted to start a chapter of the Students for a Democratic Society (SDS). He related that during that time, he and several associates would often frequent the school cafeteria and usually went to one particular table. During that time many students would often stop and talk to him and his associates. He stated that on one occasion four Arab students stopped at the table. He stated that he believes this was the fall of 1965. CHANDLER was displayed a photograph of SIRHAN SIRHAN and advised that he believes that possibly SIRHAN was one of the Arab students. He stated, however, that if the individual was SIRHAN, he did not speak through out the conversation, which lasted about 15 minutes. He stated that he does not believe that he has ever seen SIRHAN since that time and recalled that none of the Arab students appeared interested in the SDS, but rather were interested in telling about their country.

CHANDLER concluded by saying that he has no further knowledge concerning SIRHAN or any knowledge of the KENNEDY assassination, which might possibly be of value to the FBI in the current investigation.

BOTTING related that up until June 5, 1968, this office was used as the campaign headquarters by the late Senator ROBERT F. KENNEDY and that this office covered the entire San Gabriel Valley. She recalled that on May 30, 1968, she was sitting at her desk at campaign headquarters and during the afternoon three individuals entered the headquarters. Two of the individuals stayed outside the counter and the other walked by the counter and walked up to her desk and inquired whether or not KENNEDY was expected to visit the headquarters. She recalled this individual was told that KENNEDY was not scheduled to make any additional appearances in the San Gabriel Valley. She is not certain, but she believes the individual said that he was from Kennedy Headquarters in Pasadena, and that they were wondering if Senator KENNEDY was planning a visit to the area. BOTTING stated that she did not take the names and addresses of any of these individuals.

BOTTING noted that during her conversation with this individual ETHEL CREHAN was sitting in her presence with her back to the counter.

Mrs. BOTTING stated that the individual who approached her closely resembles SIRHAN BISHARA SIRHAN. A photograph of SIRHAN, Los Angeles County Sheriff's Office No. 495 139, was exhibited to BOTTING and she said from this photograph, she believes that the individual was SIRHAN, or a person who very closely resembles SIRHAN. She added that there is a reasonable doubt in her mind that the individual was SIRHAN; however, she believes that she could definitely say one way or the other whether the individual was actually SIRHAN, if she had the opportunity to view SIRHAN in person.

She stated that some of the things about the individual that she definitely recalls is that his face had the appearance that at one time he had a problem with acne. The individual had a foreign look about him; however, he spoke in excellent English. She stated that when the individual first entered the headquarters she thought he was MARIO AGUAYO, a campaign headquarters worker; however, as it turned out the individual was much shorter than AGUAYO, but did have certain facial resemblances to AGUAYO. She noted that AGUAYO resided at 405 East Second Street, Azusa, California.

BOTTING stated that the two individuals, who entered the headquarters with the person she thinks is identical to SIRHAN, stayed behind a counter and she described them as being a male and female. She did not observe the male, but she furnished the following description of the female who she believes she could identify if she observed her again:

ETHEL CREHAN [redacted] telephone number [redacted] advised that up until June 5, 1968 she worked at the Kennedy Campaign Headquarters in Azusa, California. During the afternoon and evening of June 5, 1968, she saw pictures of SIRHAN BISHARA SIRHAN on various television programs. At the time she observed these pictures, she had no reactions.

CREHAN stated that at approximately 3 a.m. on June 6, 1968, she awoke from a sound sleep at which time she realized that she had seen SIRHAN at the Kennedy Campaign Headquarters in Azusa, California. She immediately telephonically contacted BOBBIE BOTTING, who was the Campaign Headquarters' Manager and the person whom she recalled talked to SIRHAN at the campaign headquarters. She told BOTTING about the situation and BOTTING agreed that the person, referred to by CREHAN who visited the Kennedy Campaign Headquarters, closely resembled SIRHAN.

CREHAN related that during the afternoon of May 30, 1968, she was working at the Kennedy Campaign Headquarters. An individual entered the headquarters and walked up to Mrs. BOTTING and asked if KENNEDY was scheduled to visit the Azusa Headquarters. He was told that KENNEDY was not scheduled to make any more appearances in the San Gabriel Valley. She believes the individual said that he was from the Kennedy Campaign Office in Pasadena; however, she is not certain of this. She recalled that this individual entered the campaign headquarters with another male and a female, who appeared to be older than the individual she believes was SIRHAN.

CREHAN stated that the three individuals remained in the Kennedy Campaign Headquarters approximately two or three minutes. She recalled that the individual she thought to be SIRHAN, had scar tissue from pock marks on his face and he had an olive complexion. She got the distinct impression that the three were college students interested in the Kennedy campaign.

On the morning of June 5, 1968 at approximately 8:00 A.M., a young lady came into his store who he recognized as a frequent customer. JEREMY CAMPBELL, Reporter, London Evening Standard, 1101 New Hampshire Avenue, N. W., advised that during the Oregon primary he divided his time between covering the KENNEDY and MC CARTHY campaigns. During the California primary he joined the KENNEDY party and traveled with them throughout the state. At the time of the shooting CAMPBELL was in his hotel room at the Chancellor Hotel in Los Angeles which is one block from the Ambassador Hotel. He had previously been at the Ambassador but had returned to the Chancellor about 7:00 p.m. to dictate his story. After he learned about the shooting he went to the Ambassador and talked to the people there.

CAMPBELL did not see SIRHAN SIRHAN at the Ambassador Hotel and does not remember having ever seen him during the campaign. In addition, he did not remember seeing a girl in a polka-dot dress at the Ambassador and had no knowledge of the scheduled route KENNEDY was to take immediately after his victory speech.

This man had long dark hair and wore dark rimmed glasses. He was with a young blond haired female who was sitting on his lap or standing between his legs most of the evening. The couple had several drinks and were hugging and kissing and ignoring the various speakers. He recalled the couple spoke to a few other dark complected persons while they were there. CAMPBELL recalled the man made some derogatory remarks about Senator ROBERT F. KENNEDY and CAMPBELL asked the man why he was there and he replied he wanted to give KENNEDY hell. This time he was crying and said he had been in the hotel where Senator KENNEDY had been assassinated at the time he telephoned PUTNAM to tell her of the assassination. He used unrecalled words to the effect that he was involved in the assassination. He spoke words to the effect that he and SIRHAN were members of the same group and that prior to the assassination SIRHAN had stated that he intended to shoot Senator KENNEDY. He also spoke unrecalled words to the effect that the group he and SIRHAN belonged to was Communist. During this telephone call there was an interruption which indicated to PUTNAM that MARK was switching from one telephone to another telephone. MARK continued that persons in his and SIRHAN's group were "upstairs" in the hotel where KENNEDY had been assassinated, and although he did not shoot KENNEDY he was involved in the shooting. LEGISLATIVE RELATIONS

Rep. John Tunney,

June 10, 1968

Honorable John Tunney:

With all respect I'm addressing myself to you to tell you the following. With all my heart's sincerity, I send my condolences to President L.B. Johnson and to the widow of Honorable Robert F. Kennedy, who died serving his nation.

Here I'm sending you the names of two persons that I told that they have to kill another important person in order that three are completed, beginning with President Kennedy, they are witnesses that I told before it happened.

I didn't tell the Government because there are persons who laugh because they don't know God, and their purpose is to kill.

Let's see if you believe in what I say to you, then you can believe what I say right away. That the policy which you have placed on the Americans is nature (?) and divided. Because of that they take advantage of this to kill those who can defend the Nation and now [they? you? who used can mean either] are up a blind alley.

Sincerely,

b7c

Mr. FRANCIS D. CULLEN, also known as Frank Cullen, [redacted] North Hollywood, California, telephone [redacted] furnished the following information:

Mr. CULLEN said that he was [redacted] years of age and [redacted] by occupation, having worked at various motion picture studios in the past, and was currently unemployed due to health.

During the 1954 presidential campaign of JOHN F. KENNEDY, CULLEN worked on behalf of KENNEDY in the Los Angeles area.

On or about March 22 or March 23, 1968, CULLEN read an article in the "Herald Examiner" that Senator ROBERT F. KENNEDY was to make a campaign appearance at the Sportsmen's Lodge Hotel, 12825 Ventura Boulevard, North Hollywood, California. This being close to CULLEN's home, the latter went to the Sportsmen's Lodge on March 24, 1968, at approximately 7:00 p.m., to greet Senator ROBERT F. KENNEDY, who CULLEN had met during the 1964 KENNEDY presidential campaign.

Upon arrival of the Senator KENNEDY party at the Sportsmen's Lodge Hotel, Senator KENNEDY recognized FRANK CULLEN asking the latter to direct him to the hotel room where KENNEDY was to stay. CULLEN accompanied Senator KENNEDY to the room assigned him on the fifth floor, possibly room 508. When Senator KENNEDY got to his room the question of a security guard came up and PIERRE SALINGER and a man named BRUNO with the KENNEDY party, asked CULLEN to stand by outside of the KENNEDY room on the fifth floor and act as a security guard. CULLEN agreed and one of the secretaries of Senator KENNEDY took CULLEN's name and address.

Approximately 15 to 20 minutes after CULLEN became an active security guard, which would have been between 7:00 and 8:00 p.m., a young man came up to the fifth floor on the elevator carrying what appeared to be a camera on a strap over his shoulder. He said to CULLEN that he wanted to take a picture of Senator KENNEDY. The object, thought to be a camera, was about five inches by eight inches wide and three to four inches high. It was encased in a dark brown leather-type case. When advised that Mr. KENNEDY was not available and that the fifth floor had been restricted, the young man was instructed to leave whereupon he declined and sat down on a chest in the hallway. The Senator stepped out of his room to make an inquiry about the whereabouts of a certain pair of cufflinks. The young man was still in the hallway at this time.

Mr. JOSEPH GARSON, who was one of the managers of the Sportsmen's Lodge Hotel, was present and asked CULLEN if he did not think that the young man wanted more than a picture of KENNEDY. Consequently, CULLEN asked the young man to get up from the chest and get on the elevator which he reluctantly did. CULLEN noted that this young man stayed in the elevator approximately 15 minutes going up and down and controlling the elevator.

CULLEN finally, after certain protests from the young man who claimed that CULLEN had no right to remove him from the hotel hallway, got the young man out of the elevator and completely out of the hotel and into the parking lot. This was the last time CULLEN observed the young man and did not observe anyone else with the young man, nor did CULLEN ascertain the name of the young man or whether or not he had an automobile.

The young man was described by CULLEN as being a male white, 5'8", 20 to 24 years of age, dark complexion, dark eyes, clean shaven, dark kinky curly hair, and not well groomed.

LA 56-156

Following the assassination of Senator ROBERT F. KENNEDY, Mr. CULLEN observed a picture of SIRHAN SIRHAN in the newspaper and noted a resemblance between the photograph and the young man who attempted to take a photograph of Senator KENNEDY at the Sportsmen's Lodge Hotel on the evening of March 24, 1968.

Mr. CULLEN said that he attempted to relay the information regarding the young man observed on March 24, 1968, to PETER LAWFORO, actor and former brother-in-law of Senator KENNEDY. LAWFORO, at the time, was associated with actor - producer JERRY LEWIS making a film at Columbia Pictures Studio in Hollywood. The call to this studio disclosed that PETER LAWFORO was not available and the information was given by telephone to JERRY LEWIS by Mr. CULLEN to be passed on to PETER LAWFORO.

A group of photographs containing photographs of SIRHAN SIRHAN, his brothers, ADEL, SHARIF, MUNIR, and SAIDALLAH, were exhibited to FRANK CULLEN, without identifying the photographs by first or last names. Mr. CULLEN examined the photographs carefully and selected the photograph of SHARIF SIRHAN as very closely resembling the young man who had attempted to photograph Senator ROBERT F. KENNEDY at the Sportsmen's Lodge Hotel on March 24, 1968.

It was noted at the time that CULLEN selected the photograph of SHARIF SIRHAN he was unable to talk, started to perspire and appeared to be visibly shaken. A lapse of approximately one and a half minutes followed before Mr. CULLEN acknowledged that he had become emotionally upset at seeing the photograph of SHARIF and believing that it was a photograph of the young man whom CULLEN had encountered on March 24, 1968. CULLEN noted that the hair on the young man in question at the Sportsmen's Lodge Hotel, as he recalled, looked more like the hair of SIRHAN SIRHAN as depicted in the photograph exhibited to him, which photograph was taken by the Los Angeles Police Department on June 5, 1968.

4
LA 56-156

Upon further examination of the photographs, CULLEN said he was still of the opinion that the photograph of SHARIF more closely resembled the man in question at the Sportsmen's Lodge Hotel.

Mr. CULLEN was of the opinion that Mr. JOSEPH GARSON should have some opinion in the matter as he had called GARSON following the assassination of Senator KENNEDY and they both agreed that the young man at the Sportsmen's Lodge Hotel on March 24, 1968, attempting to photograph Senator KENNEDY, closely resembled the photographs of SIRHAN SIRHAN which had appeared in the newspapers on June 5, 1968.

Mr. MARK HARLIG, Manager of Sportman's Lodge Hotel, 12833 Ventura Boulevard, North Hollywood, California, telephone 769-4700, advised as follows:

Mr. HARLIG said that during a fund raising dinner and cocktail party on March 24, 1968, held at the Sportman's Lodge, which featured an appearance by Senator ROBERT F. KENNEDY, no security guards had been hired by the hotel or the lodge. He had no knowledge of a security guard being hired by the KENNEDY party. He also had no knowledge of any individual by the name of FRANK CULLEN, reportedly a security guard at the Sportsman's Lodge. He mentioned that the lodge and hotel did not have a security squad staff and rarely did they hire one. Frequently organizations who have conventions or affairs at the hotel and lodge hire their own security guards.

During the aforementioned KENNEDY party, a large number of people apparently got word of it and showed up at the hotel and lodge in an apparent attempt to observe Senator KENNEDY. They were all over the hotel and grounds.

Photographs of SIRHAN BISHARA SIRHAN and his brothers, ADEL, SHARIF and MUNIR were shown to HARLIG, who commented he had no recollection of seeing these individuals around the hotel or lodge during the KENNEDY party on March 24, 1968 or any other time. The other logical employee to whom the photographs should be shown is Bellman BOB LOCHRIE, who was on duty and was in a position to see anyone hanging around the hotel when Senator KENNEDY was there on March 24, 1968.

Concerning persons in the KENNEDY party, who may have hired a security officer or otherwise know who may have observed persons around the hotel at the time, they could probably be identified through JERRY BRUNO, who was an advancement for the KENNEDY party about a year ago and may still be connected with them. No specific address was available for JERRY BRUNO according to Mr. HARLIG.

Mrs. JACKIE LAWRENCE, Manager of Banquet Department, Sportman's Lodge, 12833 Ventura Boulevard, North Hollywood, California, Telephone TR 7-9846, advised as follows:

She was unable to identify anyone by the name of FRANK CULLEN, reportedly a Security Guard at the Sportman's Lodge. She mentioned that this lodge did not employ a security guard as such. There were numerous security guards employed at the lodge from time to time by organizations who utilize the facilities of the Sportman's Lodge Hotel and Restaurant. The specific organization would have to be identified, together with the date, to establish who may have been hired.

With respect to the fund raising dinner and cocktail party, at \$250 a plate, attended by Senator ROBERT F. KENNEDY, it was held on the evening of March 24, 1968 at the lodge, from approximately 8:00 p.m. until 11:30 p.m. Mr. PIERRE SALINGER had made the original contact and reservations for the lodge for this affair. Senator KENNEDY had stayed in the adjoining hotel and had arrived at the party at approximately 9:30 p.m. or 10:00 p.m. He came in through the kitchen to the dining area where he ate dinner and subsequently went into the cocktail party area, which was behind a glass partition. Approximately 300 people, who were not invited to this affair, which was rather confidential and attended by a group of prominent supporters of Senator KENNEDY, had gathered around the hotel and in the lodge for the purpose of observing Senator KENNEDY. When Senator KENNEDY observed this crowd of people standing outside the glass partition, he ordered the partition be opened and invited all the people into the party, much to the surprise of those present.

As far as the Sportsman's Lodge and Hotel were concerned, they did not hire any security guards for this occasion and as far as she knew the KENNEDY party had not hired any outside guards, at least she had not been so advised.

Mr. JIM FLOOD, Director of Public Relations and Advertising for Jerry Lewis Films, in care of Columbia Pictures Corporation, 1438 North Gower Street, Los Angeles, California, telephone 469-8211, advised as follows by telephone:

Mr. FLOOD said he was calling in response to SA [REDACTED] attempt to contact JERRY LEWIS, actor and head of Jerry Lewis Films, who was currently out of the country and was expected back sometime the coming week. FLOOD said he was present when JERRY LEWIS had, on June 5, 1968, telephoned the Los Angeles FBI Office concerning a call which LEWIS had received from one FRANK CULLEN. The latter, who claimed to be a security guard at the Sportsman's Lodge, had called LEWIS and requested that LEWIS pass information, furnished by him, to PETER LAWFORD, actor, who is currently associated with JERRY LEWIS in a film. In substance, FRANK CULLEN had claimed that he had seen the suspect, identified in the papers and on television as SIRHAN SIRHAN, on an elevator with Senator KENNEDY sometime during the latter's campaign in California. No further details were given by CULLEN to LEWIS, further that LEWIS had remarked he did not know FRANK CULLEN or vouch for the veracity of CULLEN's story.

FLOOD said that it was his opinion that CULLEN was probably referring to a fund raising dinner and cocktail party at \$250 per plate, which was held at the Sportsman's Lodge, during the latter part of March 1968, attended by Senator ROBERT F. KENNEDY. FLOOD said he was not acquainted with anyone by the name of FRANK CULLEN, but the latter may have been a security guard with the KENNEDY party or known to them, if not known at the Sportsman's Lodge.

The caller said she was five feet six inches. The female requested that the hose be sent to her room, Number [redacted]. A bell-boy took the panty hose to the room and returned to [redacted] with the money, saying that the female had paid through the door and all he saw was an arm.

[redacted] said that a bell-boy, possibly the same one according to [redacted] had picked up a wig at Room [redacted] and had taken it out to be styled. The female in the room had provided a sketch as to how she wanted the wig styled. [redacted] then talked to another bell-boy who said he had been delivering food to that person for about two weeks, but that she had previously had another room. Mr. JOSEPH GARSON, Night Auditor, Sportsmen's Lodge Hotel, 12825 Ventura Boulevard, North Hollywood, California, telephone number 769-4700, residence [REDACTED] Alhambra, California, telephone number [REDACTED] advised the following:

Mr. GARSON said he recalled the evening of March 24, 1968, during an appearance of Senator ROBERT F. KENNEDY at the Sportsmen's Lodge Hotel to give a campaign speech. Mr. KENNEDY had arrived at the hotel around 7:00 P.M. on March 24, 1968, and had been assigned Room 508. Mr. GARSON, at the time, was working on the front desk in the hotel lobby.

Mr. GARSON had, shortly after Mr. KENNEDY's arrival, been asked to aid a Mr. FRANK CULLEN to act as a security guard outside the room of Senator KENNEDY on the fifth floor. Mr. GARSON's attention was called to a young man who appeared on the fifth floor and wanted to take a photograph of Senator KENNEDY, and when advised that he would be unable to, he became very persistent.

Following attempts by Mr. CULLEN and Mr. GARSON to get the young man to leave the fifth floor, Mr. GARSON asked the young man if he were a guest at the hotel. When the young man said no, Mr. GARSON advised him that if he did not leave, the police would be called. The young man then left the corridor, but was observed riding up and down the elevator periodically, apparently checking to see if Mr. KENNEDY was available for photographing. The last time Mr. GARSON saw the young man in question was approximately one half hour later after first seeing him. The young man at this time was standing in the lobby of the hotel near the elevator and appeared to be with a young girl. They were standing together and away from a crowd of people who had gathered in the lobby waiting for Mr. KENNEDY to appear.

The young man in question had on one occasion observed Senator KENNEDY on the fifth floor when the Senator had appeared at the door of his room making inquiry about certain cufflinks which had been misplaced.

One of the remarks made by the young man seeking a photograph of Senator KENNEDY was "If I don't get him now, I'll get him later," which Mr. GARSON felt had reference to the taking of the photograph.

Mr. GARSON, who said he had never seen the young man or the young woman before, described them as follows:

Sex	Male
Race	Caucasian
Age	Early 20's
Height	5'8"
Build	Slender
Weight	140-150 pounds
Hair	Dark brown, slightly wavy, well combed
Clothing	Wearing dark brown suit and tie
Complexion	Dark
Characteristics	Possibly Italian or Middle Mediterranean; neat, clean cut; very articulate; In opinion of Mr. GARSON, a young college student; possibility that young man wore eyeglasses (although GARSON could not be sure)

Following an examination of a photograph of SIRHAN and his brothers, Mr. GARSON said he had no recollection of seeing these individuals before and had not believed any had been the young man which he described above. The one coming closest to the young man in question was a photograph of MUNIR SIRHAN shown wearing glasses; however, in examining another photograph of MUNIR without glasses, was of the opinion that the young man was definitely not MUNIR.

He further advised that to the best of his knowledge the Senator's itinerary had remained the same while he was in California, except on Saturday, June 1, 1968, when he debated Senator EUGENE MC CARTHY in Los Angeles. The Senator was scheduled to be in Oakland and San Francisco on Saturday, but instead was in Oakland and San Francisco on Friday.

He stated that to the best of his knowledge he has never seen SIRHAN SIRHAN, the alleged assassin of Senator KENNEDY.

CARLTON LAVERNE HAYES at [REDACTED] Compton, California, was interviewed regarding his presence at the Ambassador Hotel, 3300 Wilshire Boulevard, Los Angeles, California, between the days of May 12-18 and on June 4-5, 1968.

HAYES advised on May 10, 1968, he was approached by a classmate at Compton Junior College, JOHN AHRNDT, and requested by AHRNDT to assist in distributing campaign literature for Senator ROBERT F. KENNEDY. AHRNDT asked that HAYES, and anyone else HAYES could recruit, to meet him at the Ambassador Hotel on Sunday, May 12, 1968, in order to receive consideration concerning the distribution of this literature. HAYES stated he and several friends went to the hotel on May 12, 1968, and were supposed to hand out the KENNEDY literature on that same afternoon. However, HAYES and his friends attended an impromptu meeting of the Circle K, a service club at the junior college, which prevented them from assisting AHRNDT. HAYES could only recall that HAROLD NEWLIN (phonetic) accompanied him to the hotel on May 12.

HAYES stated he did not return to the Ambassador Hotel until June 4, 1968. At that time, he intended to apply for a job at the Ambassador Hotel, however, after riding a bus to the hotel from his home, he decided it would be too far to travel to work. HAYES recalled he was at the hotel for about an hour on June 4, and could only remember that it was during the morning hours before lunch. Immediately after leaving the hotel, he returned home by bus. HAYES advised he first learned that Senator ROBERT F. KENNEDY had been shot when awakened by his mother during the early morning hours of June 5, 1968.

HAYES viewed a photograph of SIRHAN BISHARA SIRHAN and stated he never saw anyone that resembled SIRHAN's photograph in the Los Angeles newspapers on July 5, 1968. Further, that nothing came to his attention while he was at the hotel that Senator KENNEDY would be shot.

ZIYAD IBRAHIM HUSANI, [REDACTED]
Lawrence Township, New Jersey, furnished the following
information:

He is a graduate student in the Politics Department, Princeton University, Princeton, New Jersey, and is a native of Beirut, Lebanon, having been in the United States for two years. He is president of the organization of Arab Students in the United States and Canada, advising that the organization was established in 1952 to further Arab-American friendship and to assist Arab students in adjusting to academic life away from home. There are more than 100 chapters in colleges throughout the United States and Canada and the group has a fairly large membership.

After the attack on Senator ROBERT F. KENNEDY, the National Headquarters Executive Committee of the organization of Arab Students heard that press reports had indicated the assailant of KENNEDY was a member of the organization. As a result of this, the organization issued a press release dated June 5, 1968, which stated that the suspected assailant of Senator ROBERT KENNEDY (SIRHAN SIRHAN) was not and had not been a member of the organization of Arab Students. The Executive Committee noted in the press release that the group had sent a telegram to Mrs. ROBERT KENNEDY expressing shock and dismay on the attempt on the Senator's life, and a hope that he would soon recover. Following Senator KENNEDY's death the Executive Committee of the group sent a second telegram to Mrs. KENNEDY expressing condolences on behalf of the organization of Arab Students.

HUSANI emphatically stated that SIRHAN SIRHAN has had no association with his organization and has never been a member of the organization and the disclaimer was issued for the reason stated above.

WINFRED HOLDER, Desk Clerk at the Hope Hotel, 735 South Hope Street, Los Angeles, advised as follows:

He was in the Cordova Bar in Los Angeles the afternoon of June 9, 1968, and he ran into JOHN WRIGHT at the bar. WRIGHT had stayed at the Hope Hotel from November 3, 1967, through December 29, 1967. WRIGHT did not work while he stayed at the Hope Hotel and he was finally asked to leave because he was very noisy. WRIGHT told HOLDER the following story at the bar on June 9, 1968:

He had been working at the Ambassador Hotel in the kitchen as a kitchen reporter for two or three months up to the time of the shooting of Senator ROBERT KENNEDY. He saw SIRHAN SIRHAN several times during the evening of June 4, 1968. SIRHAN was in the kitchen of the Ambassador Hotel drinking coffee. A pretty girl was waiting with SIRHAN that night, and SIRHAN kept asking kitchen employees when Senator KENNEDY would be coming through the kitchen.

As Senator KENNEDY came through the kitchen, he saw one man try to hold Senator KENNEDY's arm to keep him still. This was the man with dark glasses whose picture was in the paper. He saw SIRHAN with a pistol but he did not see him pull the trigger and he thinks somebody else did the actual shooting of Senator KENNEDY.

HOLDER advised that WRIGHT also mentioned the following things during their discussion on June 9, 1968:

People in the Ambassador Hotel's kitchen had been talking for two weeks about how they planned the shooting of Senator KENNEDY;

He knew alot that he could not tell or it would be his neck;

A kitchen reporter reports what they need in the kitchen;

Miss CAROLINE MARY PETTINATO, Room [REDACTED] Hope Hotel, 700 Hope Street, Los Angeles, furnished the following information:

She was a volunteer campaign worker for Senator ROBERT KENNEDY; and, to help publicize his campaign, she rode a bicycle from San Antonio, Texas, to Los Angeles, arriving in Los Angeles on May 26, 1968. She was present at Senator KENNEDY's victory celebration on the night of June 4, 1968, at the Ambassador Hotel. She heard about four pops in quick succession shortly after Senator KENNEDY left the Embassy Room; but she did not realize at the time that they were shots. She was at the Ambassador Hotel from around 8:00 PM on June 4, 1968, until the time of the shooting, but at no time did she see the man who has been identified as SIRHAN SIRHAN.

On June 9, 1968, Mr. HOLDER, the Desk Clerk at the Hope Hotel, told her that a man by the name of JOHN WRIGHT had said that he was a witness to the shooting and that he knew something about it. She told HOLDER that she would like to talk to WRIGHT; and HOLDER called WRIGHT at the Milner Hotel and had him come to the Hope Hotel. Throughout the course of the afternoon and evening, WRIGHT told PETTINATO the following story:

He was employed as a "kitchen reporter" at the Ambassador Hotel; and he was on duty from 10:00 PM on June 4, 1968, to 8:00 AM on June 5, 1968. He first noticed the man identified in the newspaper as SIRHAN SIRHAN at about 11:00 PM on June 4, 1968. SIRHAN came into the kitchen at that time, and he hung around in there drinking coffee. He noticed SIRHAN because he was dressed differently from the kitchen employees. He saw somebody shake KENNEDY's hand in the kitchen. He saw SIRHAN facing KENNEDY and pointing the gun at him; and he saw KENNEDY fall, but he was watching SIRHAN and he never saw SIRHAN pull the trigger of the gun. WRIGHT observed this from the main kitchen by the refrigerator, and he saw SIRHAN standing directly behind the steam table.

[redacted] Portland, Oregon. He stated that during the Primary campaign in Oregon, he was working as a volunteer worker for Senator ROBERT KENNEDY and on the evening of May 28, 1968, he was with Senator ROBERT KENNEDY at about 11:40 p.m. when Senator KENNEDY appeared at the ballroom of the Benson Hotel, Portland, Oregon, and made a statement to his supporters assembled there conceding the Primary election in the State of Oregon to Senator MC CARTHY. HUNTLEY preceded Senator KENNEDY from the platform which they stepped off from the left side and to the rear, going a short distance to a kitchen door with the intention that Senator KENNEDY go through the kitchen and come up to the elevator on the back side and avoid the crowd. As he stepped off the platform which was about two feet high, he saw two men standing in front of the kitchen door and as the party proceeded towards the door, the two men stepped back into the kitchen. He had the impression that one of them spoke to the other and assumed they were together. One man was heavy set and the other had a medium-slender build. As HUNTLEY came into the kitchen, he put his hands against the back of the heavy set man and pushed him against the wall so that Senator KENNEDY and the party could go on through. He assumes that the slender man stepped out of the way as he did not see him again. As he pushed the heavy set man against the wall, he felt something under his coat which could be a weapon or a thick, wide belt. He told the man to stand still while the party passed through. He then turned away from the heavy set man to offer aid to Representative EDITH GREENE who was also in the party, and to keep her from being pushed by the crowd.

Mr. JAMES McEVROY, III, Ph. D., Department of Sociology, University of California, Davis, California, was interviewed at the University and furnished the following information:

On May 16, 1968, when Senator ROBERT F. KENNEDY addressed students and faculty at Freeborn Hall, University of California, Davis, California, he had had to request a patrolman of the University of California Police Department to order a young man out of a hallway behind the stage where Senator KENNEDY was to speak.

He stated that he approached this young man and told him that no one was permitted to be in that area. The young man spoke in a soft voice and he had difficulty hearing him. He was told by the individual that he could not stand being in a crowd, and that he would go to a seat in the auditorium as soon as Senator KENNEDY arrived. He was unable to convince the young man that he should go to his seat, and finally called the police officer who gave the young man the choice of either leaving, or going into the auditorium. He stated that this first incident occurred sometime between 3:00 and 3:30 p.m., prior to Senator KENNEDY's arrival, but that approximately 5:30 to 5:45 p.m., shortly before Senator KENNEDY stopped speaking he observed this individual walk down the steps leading from the hall into the auditorium. He stated that he has seen photographs of SIRHAN BISHARA SIRHAN, the person accused of shooting Senator ROBERT F. KENNEDY, in the Los Angeles Times, and that this individual closely resembles these photographs, but that he would have to see other photographs before he could make a positive identification.

Mr. JAMES McEVROY, III, Ph. D., Department of Sociology, University of California, Davis, California, was interviewed at the University and furnished the following information:

He viewed photographs of SIRHAN BISHARA SIRHAN, which photographs were taken by news photographers at the time SIRHAN was being led away from the scene of the shooting of Senator ROBERT F. KENNEDY on June 5, 1968. He also viewed photographs of SIRHAN taken by the Los Angeles Police Department, as well as the photograph appearing on SIRHAN's California Driver's License, dated March 18, 1964. He stated that the full face photographs appearing in the newspapers, as well as the one taken by the Los Angeles Police Department do not resemble the person he observed in the hallway, behind the stage, at Freeborn Hall, University of California, Davis, California, on May 16, 1968, when Senator KENNEDY spoke there. He noted some resemblance in the profile newspaper photograph of SIRHAN, as well as some resemblance in the photograph on SIRHAN's California Driver's License.

He advised that he could not as a result identify the individual he had seen as SIRHAN. However, if he could ascertain that SIRHAN had been at the University the day of May 16, 1968, this would influence his identification and he would identify him.

He stated he is an acting Assistant Professor of Political Science at the University of California, Davis, California, and was present in the area behind the stage at Freeborn Hall, University of California, Davis, California, prior to the arrival of Senator ROBERT F. KENNEDY, on May 16, 1968. He stated that while he was back there he observed Professor JAMES McEVY, III speaking to an individual who appeared to be of Middle Eastern extraction. Professor McEVY appeared to be having difficulty hearing the student inasmuch as he was bending his head so as to be better able to hear.

He described this individual as having black wavy hair, of Middle Eastern extraction, early to middle 20s, of short stature, approximately 5 feet 5 inches, thin build, wearing a blue shirt. He stated that was all he could recall in the way of a description. He added that his recollection of this individual was that although he appeared to be of Middle Eastern extraction and had features similar to that of SIRHAN BISHARA SIRHAN, whose photograph he has seen in the newspapers, and aware that SIRHAN is charged with the shooting of Senator ROBERT F. KENNEDY, he did not believe these two individuals were identical. He stated that his wife, who was also in the hallway at that time, might recall the individual.

She and her husband, ROBERT CURTIS WILSON, who is employed at [REDACTED] Vallejo, California, attended a Kennedy Campaign Program at the Civic Center at San Francisco, California, on Saturday, June 1, 1968, at 8:30 PM.

These two people, a female and a male, were sitting, the female in Section five, Row S, seat three; the male in Section five, Row S, seat four.

She stated she noticed these two individuals again when they remained seated during the playing of the national anthem and since her curiosity was then aroused, she asked the man sitting in front of her in Section five, Row S, seat one, why these two people had remained seated. This individual stated that the two individuals had told him that they were communists.

Mrs. WILSON stated that this made her "sick to her stomach" because she was afraid these two individuals might try to hurt Senator ROBERT F. KENNEDY when he made his appearance at the show.

On this occasion, [redacted] advised the group that he had received a long distance telephone call from friends in the Las Vegas area requesting a contribution from him to help pay a one half to three quarter million dollar contract to assassinate ROBERT KENNEDY. [redacted] stated that the assassination was to take place if it appeared KENNEDY was to gain the Democratic Presidential nomination, and that California was considered as the conclusive proof point of that probable nomination.

[redacted] bragged that he had offered \$200 towards this contract. He intimated that these friends were members of the "Mafia". He further stated that he told the people from Las Vegas that he could probably drum up at least \$50,000 to \$100,000 in Delano, California, area alone.

[redacted] advised that KENNEDY has been to Delano three times in the past year. Prior to KENNEDY's visits the area was quiet and untroubled, however, since his visits there have been riots, strikes, and picketing.

b7D [redacted] felt that [redacted] was probably just blowing his own horn because of the high feeling against KENNEDY in the area. [redacted] is a reasonably wealthy farmer in the area and does make frequent trips to Las Vegas. At the time the above comments were made the general tenor of conversation had been for the KING assassination and against the JOHN F. KENNEDY assassination. Someone in the group had mentioned that they had shot the wrong KENNEDY and it was too bad it had not been ROBERT instead of JOHN that had been killed. [redacted] feels that this probably triggered [redacted] comments.

[redacted] is a known gambler in the area but has no police record for such activities. He frequently loses several thousands of dollars at a time when he visits Las Vegas, but this does not appear to bother him. He feels [redacted] is not the type of individual to back down and that if he did make this statement in jest he probably would admit it if questioned by authorities.

[redacted] had forgotten the incident and it was only brought to his mind by [redacted] after KENNEDY was assassinated immediately after winning the California election.

Miss PAM MIKI, Secretary, "The Joe Pyne Show,"
Television Station KTTV - Channel 11, Los Angeles, California,
advised as follows:

For several days following the assassination of Senator ROBERT F. KENNEDY, "The Joe Pyne Show" was deluged with calls in which the callers indicated they recognized news media photographs of SIRHAN B. SIRHAN as being identical with an individual who had appeared on a Joe Pyne Show when it featured a guest, who recently returned from the Middle East and who discussed the Arab-Israeli war. It was indicated that SIRHAN had been in the studio audience and had come up to the "beef box" to express a viewpoint supporting the Arab position in the war.

Miss MIKI pointed out that normally individuals who appear in the "beef box" are requested to sign waivers. A search had been conducted, and no waiver under the name of SIRHAN had been located.

Miss MIKI advised that a canvass of employees of the JOE PYNE staff indicated SIRHAN might have appeared on a show which was taped on June 12, 1967, and which was aired in the Los Angeles area on June 24, 1967. Or he possibly could have appeared on a show taped June 12, 1967, which was aired on June 17, 1967. Both shows dealt with the Arab-Israeli situation.

Miss MIKI said it had been ascertained that the video and audio tapes of both of the above shows had been erased. She indicated that the staff's recollection was that an individual probably identical with SIRHAN had appeared in the "beef box" in one of the above-described shows and had strongly supported the Arab point of view in the Arab-Israeli war.

Mr. RON REYNOLDS, Program Director, KNEW Radio Broadcasting Station, 66 Jack London Square, Oakland, California, on June 18, 1968, advised as follows:

All individuals who call in on the talk programs are anonymous. The callers are screened by the program producer before they are referred to the announcer.

Concerning the appearance on the Hilly Rose Show at 10:30 A.M. Memorial Day, May 30, 1968, of GEORGE PLIMPTON of New York, REYNOLDS reviewed a tape of the program and talked to the producer. He was told by the producer that the voice of an individual who called in concerning Senator ROBERT F. KENNEDY was not that of a regular or repeater. REYNOLDS estimated the voice to be that of a male in his 50s or 60s.

In listening to a tape of the show, REYNOLDS said that the caller appeared to him to be a supporter of ROBERT F. KENNEDY. The caller asked if consideration had been given by ROBERT KENNEDY to the possibility that he could be killed as had happened to his brother, JOHN F. KENNEDY. The reply to the caller was that anyone in the public light must expect that such things are a possibility.

Mr. REYNOLDS advised that he would make a copy of the pertinent part of the above program and make it available on the morning of June 19, 1968.

On June 19, 1968, Mr. REYNOLDS made available a tape of the described program.

JOHN ROWLAND, [REDACTED] furnished the following information:

He is the owner of Big Brother Cleaning and from March until June of 1968, his company handled the cleaning at the Kennedy Headquarters, 5615 Wilshire Boulevard, Los Angeles, California.

During the time that he was taking care of the cleaning of the headquarters, he went each day with usually a two- or three-man crew to the headquarters and spent about two hours cleaning the building. His employees in the first part of June were STEVE VILLARE and EDWARD SPELLS. ROWLAND advised that both VILLARE and SPELLS reside at [REDACTED] Street, Los Angeles.

ROWLAND explained that he usually went to the headquarters between 5:00 and 6:00 AM so that the cleaning could be done before the regular volunteers arrived at the building. On most of these occasions he had access to the various papers and files which were in the headquarters, but he does not recall ever seeing any of his employees take anything from the headquarters. He further stated that he does not recall ever seeing anyone resembling SIRHAN BISHARA SIRHAN coming to the headquarters while he was there with his cleaning crew.

EDWARD SPELLS, [REDACTED] furnished the following information:

In June 1968, he was employed as a laborer by JOHN ROWLAND, owner of Big Brother Cleaning, to help clean the Kennedy Campaign Headquarters located at Wilshire Boulevard, Los Angeles. Each morning at about 5:00 AM he would go, along with JOHN ROWLAND and STEVE VILLAIPE, to the headquarters, where they would spend about two hours cleaning the building. They usually left the headquarters before any of the regular volunteers arrived. However, on a few occasions he did observe an unknown female and some unknown males at the various desks working.

He further advised he recalls meeting a man by the name of LARRY at the end of May, who arrived at the headquarters usually around 7:00 AM. He specifically recalls this man because he was the only one who regularly arrived before they had finished cleaning the building. On a few occasions he had conversations with this man but he does not recall specifically what they were about.

During the time that he was employed cleaning the campaign headquarters, he did not take any of the literature from the headquarters and does not recall seeing SIRHAN BISHARA SIRHAN at the Kennedy Headquarters.

On June 25, 1968, Mrs. SPEAR (LEILA) SAYEGH, [REDACTED] Street, Sierra Madre, was contacted in an effort to locate her husband, SPEAR SAYEGH, [REDACTED] Temple City, California, who was not at home. Mrs. SAYEGH stated neither she nor her husband knew SIRHAN SIRHAN, but were slightly acquainted with his brother, ADEL SIRHAN, who entertained by playing a musical instrument.

Mrs. SAYEGH stated she wished she had known SIRHAN, as she was sure anyone who was closely acquainted with Jordanian Arabs, as a group, would never have been involved in shooting a political figure, particularly not Senator KENNEDY. She stated most Arabs, both in the United States and in the Middle East, had a warm feeling toward the KENNEDYS, whom they believed had a good understanding of the situation there. Mrs. SAYEGH stated all the Arabs she knew were greatly distressed that an Arab was responsible for the death of Senator KENNEDY, and she felt SIRHAN had hurt the cause of Middle Eastern Arabs greatly.

Mrs. SAYEGH stated her husband headed the United States Organization for Medical and Educational Relief, which is the only tax-exempt charitable organization for the benefit of Arabs in the Middle East. She stated neither she nor her husband had ever met SIRHAN through this organization, or otherwise. Mrs. SAYEGH believed the name of the man who used to head the Organization of Arab Students, or at least an organization for Arab students, was one MUSA SABA. She did not know him, or where he might be located, and knew nothing concerning the group.

was contacted at his employment

Temple City, California.

SAYEGH states he had never met SIRHAN SIRHAN, and knew nothing concerning him. He stated he was slightly acquainted with ADEL SIRHAN when ADEL SIRHAN entertained by playing a musical instrument at the Shakers Oasis Bar and the Fez Bar in Los Angeles. SAYEGH stated he had been president of the American Jordanian Society, which he formed, for two years, and was presently president of the United States Organization for Medical and Educational Needs, commonly called U. S. OMEN. He stated both organizations were charitable in nature, and had no political orientation or purpose. SAYEGH stated he was acquainted with most Arabs, or members of their families in the Los Angeles area, but was not acquainted with SIRHAN, and stated SIRHAN had never attended meetings of any Arab organization with which he was affiliated at any time.

SAYEGH volunteered that it was the opinion of many Arabs that the Zionists had induced SIRHAN to assassinate Senator KENNEDY in some manner. He stated he had no evidence for this belief, but stated many Arabs still held this idea. He stated he and most Arabs of his acquaintance had had a feeling of warmth for both President JOHN F. KENNEDY and Senator ROBERT KENNEDY, and would not have wished either of them any harm.

JOSEPH SHEEHAN, Professor of Psychology, University of California at Los Angeles (UCLA), was contacted at his residence [REDACTED] Santa Monica, and he furnished the following information:

On the night of May 24, 1968, he and his wife, MARGARET, attended a rally for Senator ROBERT F. KENNEDY at the Sports Arena, Los Angeles. This rally ended around 10:30 p.m. and SHEEHAN and his wife made their way out of the Arena to a position where they could get a look at Senator KENNEDY as he was leaving the Arena. SHEEHAN was waiting about a half hour for Senator KENNEDY and a large crowd, in excess of 200 people, had also gathered to wait for the Senator.

About that time SHEEHAN noticed that the man who had moved in front of him, was completely out of character in the crowd. This man appeared very intense and sinister, and did not participate at all in the carnival atmosphere that pervaded the crowd. This man appeared to SHEEHAN to be alone, inasmuch as he did not talk with anyone in the crowd and after two or three minutes he moved away and was lost by SHEEHAN in the crowd. However, as this man moved away, SHEEHAN remarked to his wife as to the sinister demeanor of this man. His wife agreed. SHEEHAN reiterated that he lost this individual in the crowd and did not see him again that evening.

Two days after the assassination of Senator KENNEDY, SHEEHAN saw a photograph of SIRHAN SIRHAN in the Los Angeles Times and he identified the photograph in the newspaper as being the picture of the sinister individual who had been in front of him outside the Los Angeles Sports Arena on May 24, 1968. SHEEHAN showed this picture to his wife without any explanatory statements and she too, without prompting, identified the photograph of SIRHAN SIRHAN as being the picture of the man in front of them in the Sports Arena.

SHEEHAN observed a photograph of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968, and he identified the person pictured as being the person who was in front of him in the crowd outside the Sports Arena on May 24, 1968.

Approximately half an hour after SHEEHAN lost SIRHAN SIRHAN in the crowd, Senator KENNEDY left the Sports Arena in the company of ROOSEVELT GRIER and RAFAEL JOHNSON, and other unknown members of the KENNEDY entourage. While the entourage was attempting to clear a path to Senator KENNEDY's awaiting automobile, which SHEEHAN observed was parked on Exposition Boulevard, SHEEHAN noted that a group of four men were concertedly attempting either to impede the progress of the entourage by not giving ground before it, or were simply attempting to withstand the crowd in order to get a better view of the Senator. In any event the KENNEDY entourage was momentarily halted by the bottleneck of people before GRIER and JOHNSON moved in the direction of least resistance and took Senator KENNEDY to the awaiting automobile. SHEEHAN could not recall the four men other than that they all appeared to be white Americans and to be well dressed. SHEEHAN did not see SIRHAN SIRHAN in the company of these men, nor does SHEEHAN have any reason to associate SIRHAN SIRHAN with these men.

SHEEHAN commented that he did not know any person in the crowd outside the Sports Arena on the night of May 24, 1968, other than his wife.

SHEEHAN concluded that on the night of June 4, 1968, he and his wife were at the Ambassador Hotel arriving there about 8:30 p.m. They spent the entire evening in the Grand Ballroom, leaving about 11:30 p.m., and he did not see SIRHAN SIRHAN or Senator KENNEDY that night.

Mrs. MARGARET SHEEHAN, [REDACTED] Santa Monica, furnished the following information:

On the night of May 24, 1968, she and her husband, JOSEPH SHEEHAN, attended a rally for Senator ROBERT F. KENNEDY at the Los Angeles Sports Arena. After this rally concluded, she and her husband went outside the Arena in hopes of seeing Senator KENNEDY as he left the Arena. She and her husband had been waiting in a crowd of over 200 people for approximately 20 to 30 minutes, when her husband commented to her that the man, who had been standing in front of him and who was now making his way off into the crowd, appeared to be extremely sinister. Mrs. SHEEHAN observed this man, agreed with her husband, and watched this sinister looking individual as he moved through the crowd in the direction of the automobile that was awaiting the departure of Senator KENNEDY. She observed this man only momentarily before losing him in the crowd, and she did not see him again that evening.

Two days after the assassination of Senator KENNEDY, her husband showed her a picture of SIRHAN SIRHAN and she identified the picture as being that of the sinister looking individual they had observed in the Sports Arena crowd on May 24, 1968.

Mrs. SHEEHAN observed a photograph of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968, and she identified the person pictured as being the person who was in front of her and her husband in the crowd outside the Sports Arena on May 24, 1968.

He manages the Shell Service Station at 2600 West 6th Street, Los Angeles. A man closely resembling SIRHAN SIRHAN was a regular customer of his from about February to June, 1968, and this man has not been in the station since the assassination of ROBERT KENNEDY. The man usually had two other men with him. He would not recognize the two men if he were to see them again, and all he can remember about them is that they were dark haired, had small builds, and looked like they were of the same race as the man who resembled SIRHAN.

The man who resembled SIRHAN drove a 1956 two tone De Soto, with a red or blue top and a light body, and with California license plates. The man always made cash purchases of \$1.00.

SHORTRIDGE was shown a photograph of SIRHAN SIRHAN and he stated that the man who came into his station closely resembled SIRHAN, but he could not say with any certainty whether it was SIRHAN. SHORTRIDGE had no other information.

JOHN A. SWEDE was interviewed at the Los Angeles office of the FBI. Mr. SWEDE said he and his wife, CONRADINA MARIE FABREY DE JONGE SWEDE, were on a honeymoon during the month of May and part of the month of June 1968. He said during this honeymoon, he and his wife visited Europe and countries in the Middle East and Southwest Asia. On Friday, May 17, 1968, they were on an Iraqi Airline flight from Cairo to Tehran. They landed in Baghdad at about 5:00 p.m., and they missed the connecting flight from Baghdad to Tehran. The Iraqi Airline made arrangements for he and his wife to spend the night at the Ambassador Hotel in Baghdad. He said he and his wife checked in at the hotel shortly after they found out that they had missed the connecting flight. At the hotel they went directly to their room where they stayed for about an hour. He said they made inquiry regarding a place to eat and found out that the hotel had a dining room.

Mr. SWEDE said that he and his wife arrived at the dining room in the hotel at about 7:10 p.m. He described the dining room as being one flight above the ground floor, and the only dining room located in the hotel. He said that he and his wife were the only persons in the room at the time that they arrived. He estimated that the dining room had about 35 to 40 dining tables. After they were seated at a table, a waiter came up and said, "You have heard KENNEDY has been shot." Mr. SWEDE said he assumed the waiter was referring to JOHN F. KENNEDY and said the name JOHN F. KENNEDY. The waiter said, "Oh no, his brother ROBERT." Mr. SWEDE said he was surprised to hear this and answered, "Shot?" The waiter said, "Yes, with a gun how else, in the head."

Mr. SWEDE said the waiter spoke in broken English, and throughout his conversation he had a flaw in the use of verb tenses. He said when the waiter said, "KENNEDY is been shot," he assumed that it had already happened. He

said he asked the waiter how he knew this, and the waiter answered with the words to the effect "..... I hear, I hear on Arabic radio." Mr. SWEDE asked the waiter if the news would be in the newspaper, and the waiter answered with the words to the effect "..... You can't read about it. On the radio. Just today I find out." Mr. SWEDE said this conversation took place just before the serving of the main meal. During the time he served the main meal, the waiter got off of the subject. The waiter asked personal questions such as what he and his wife were doing in Baghdad and where they were going.

Mr. SWEDE said he was successful in turning the conversation back to the shooting of Senator KENNEDY, but he was unable to get any further comment from the waiter other than what he had already said. He said the waiter left them pretty much alone while they were eating. After their dinner and while the waiter was serving coffee, he said the problem with the world is the "Jew." The waiter said that the United States is dominated and motivated by Zionists. He mentioned that all the candidates are "pro Israel." Mr. SWEDE said the waiter was not specific regarding names when he made this comment. He said he recalled asking the waiter if the news about KENNEDY would be on the radio that night, and the waiter said, "You will hear nothing."

Mr. SWEDE described the waiter as being of either Arabic or Iraqi descent, about 50 to 55 years of age, with skin of medium color. He was of stout build and had black hair and mustache with gray fleck. He said that there was one other couple seated in the dining room at the time they had dinner, and this couple came to the dining room while he and his wife were in the process of consuming their meal.

Mr. SWEDE said that he and his wife were concerned and slightly disturbed over the fact that the waiter had told them that ROBERT KENNEDY had been shot. After dinner they went to the main square in Baghdad to find a newspaper that would have this news. They were unable to locate a newspaper containing this news. He said they listened to the radio that night for news about ROBERT KENNEDY, and they heard none. He said they left

Baghdad during Saturday morning, May 18, 1968. They flew to Tehran. During that day they made inquiry concerning the news that the waiter had told them on the previous evening. He said he and his wife were unable to verify the information given by the waiter. He said that they figured that the news that the waiter gave them was nothing but a rumor, and they thought nothing more of it.

He said during the afternoon of June 6, 1968, they happened to be in Mersing, Malaysia, visiting a Peace Corps friend of theirs. Her last name is DAFFNEY. DAFFNEY told them that she had just heard that ROBERT KENNEDY had been shot in Los Angeles. He said he, his wife and DAFFNEY listened to the radio that evening, and they had heard that KENNEDY died. Mr. SWEDE said that they were stunned, and they thought back to Friday evening, May 17, 1968, and the information the waiter had given them in Baghdad.

Mr. SWEDE said he was disturbed by the news he had received from the waiter and thought it extremely odd that the waiter had told him about KENNEDY being shot about three weeks before he actually was shot. He said he notified Mr. COFFEY, Information Officer at the American Embassy in Singapore regarding this story.

Mr. SWEDE said he has no idea why the waiter made the previously described comments regarding ROBERT KENNEDY. He said that while they were on the honeymoon, no other individuals made such comments regarding him.

b7c He said they returned to the United States from their honeymoon on June 20, 1968, and they currently reside at [REDACTED] Los Angeles. He added his wife, CONRADINA, has no other information to furnish other than what he has given above.

[redacted] New York, New York (telephone: [redacted]) advised that he was closely associated with Senator Robert F. Kennedy in the capacity of an advance campaign manager since May 15, 1968. TOLAN traveled with Senator Kennedy and with few exceptions attended all meetings and functions with the Senator. However, when Senator Kennedy left San Francisco for Los Angeles on June 3, 1968, TOLAN remained in San Francisco and was not present in Los Angeles at the time of the assassination.

TOLAN advised that as a matter of policy the routes to be taken by Senator Kennedy in fulfilling their itinerary were usually planned by Bill Barry and Fred Dutton. As a rule Senator Kennedy would adhere to the itinerary planned. TOLAN stated that he has learned that the route selected for Senator Kennedy to take when he was assassinated was determined only five minutes before it was used and it was selected because it was the easiest route to take.

TOLAN stated that in view of the fact he was not at the scene of the assassination, he has no first hand knowledge of the events that occurred there.

Result of examination:

The conclusion was reached that the majority of the questioned writings on pages fifteen and forty-seven of notebook Q1 were not written by SAIDALLAH B. SIRHAN, K11; by SHARIF B. SIRHAN, K12; or by MUNIR BISHARA SIRHAN, K13. While the writings on K11 through K13 are too limited and not sufficiently comparable for adequate comparison with other questioned writings on the specimens submitted previously in this case, many differences in handwriting characteristics were found.

Due to the limited nature of the writing on K10 and due to a lack of comparable handwriting, the writing of ADIL BISHARA SIRHAN, K10, could not be adequately compared with the questioned writings. Some differences were found in the writing on K10 and the questioned writings.

Specimens K10 through K13 are being returned to FBI, Los Angeles. These specimens have been photographed.

Result of examination:

The conclusion was reached that SIRHAN BISHARA SIRHAN, whose writings and whose purported writings appear on specimens K1 through K3, K5, K9, K14, and K15, wrote the hand printed address in the lower portion of page one of Q1; the hand printed address and names "SIRHAN SIRHAN" in the upper portion of page 32 of specimen Q1; and the English writing on the front of specimen Q5-F.

The available writing of SIRHAN BISHARA SIRHAN is too limited and not sufficiently comparable with the remaining questioned handwriting on the specimens previously submitted in this matter, for the purpose of determining whether SIRHAN BISHARA SIRHAN wrote any of the remaining questioned handwriting. Similarities in handwriting characteristics were found in the writings of SIRHAN BISHARA SIRHAN and a number of the remaining questioned writings, including certain questioned writings on pages 20, 35, 39, 47, 51, and 53 of specimen Q1; pages 123 and 124 of specimen Q3, and the writing on Q4.

Q21 Metal container, piece of wire and slack particles

Results of examination:

Specimen Q21, as received in the Laboratory, consists of a metal container, a piece of insulated wire and numerous black particles. Specimen Q21 is contained in a plastic envelope and the wire is not attached to the metal container.

The blast drum-shaped metal container in specimen Q21 is approximately 13/16" in diameter and approximately 5/16" thick. A 1/4" diameter brass rod extends from one side of the container and a mica diaphragm and brass plate are mounted on the other side. Black granules or particles are present in the container. The container appears to have been damaged before receipt in the Laboratory.

The metal container appears to be a microphone button of the type used in telephones manufactured twenty to thirty years ago. Microphone buttons of this type were manufactured in great quantities. These microphone buttons contain carbon granules which form a variable resistance under the influence of voice vibrations. Without additional components and circuitry, Q21 could not transmit special speech signals or otherwise act as a monitoring "bug."

The black particles present in Q21 are essentially carbon.

There are impressions on the metal container which appear to have been made by a tool employing a gripping action such as a pair of pliers. There are also scratch type marks on the container which are not sufficiently characteristic to determine the type object causing these marks. The marks and impressions on the metal container are suitable for comparison purposes.

SIRHAN may not have written Q22 and Q23.

No watermarks or indented writing was found on the Q22

The certified photocopy submitted by FBI, Los Angeles, is being returned to FBI, Los Angeles. This specimen has been photographed. The photocopy submitted by FBI, Sacramento, is being retained.

Result of examination:

The writing on the photocopy, 4c24, is too indistinct for adequate comparison of the Sifman Sifman signature and address thereon with the available writings of SIFMAN SIFMAN. If the original document for 4c24 or a clearer photograph is submitted, a more suitable examination can be made.

The additional purported handwriting of SIFMAN SIFMAN, designated as specimen K19 is too limited to permit a definite conclusion to be reached whether SIFMAN wrote any of the unidentified questioned writing on the specimens submitted in this matter. It was found that the writing on specimen K19 is of value as an additional handwriting standard of SIFMAN.

Specimens 4c24 and K19 are being returned to FBI, Los Angeles. These specimens have been photographed.

b7C [redacted] the Scientific Investigations Division (SID), Los Angeles Police Department, made available a photograph depicting eight shell casings which came from the .22 caliber Iver-Johnson revolver, allegedly used by SIRHAN B. SIRHAN in the shooting of Senator ROBERT F. KENNEDY.

This photograph depicts seven of the casings in an upright position. One view shows the end of the shell casing with an indentation apparently made by the firing pin of a gun.

During the investigation concerning the assassination of the late Senator ROBERT F. KENNEDY, a .22 caliber shell casing bearing an indentation made by the firing pin of the Iver-Johnson .22 caliber revolver was made available by [REDACTED] Scientific Investigations Division (SID), Los Angeles Police Department (LAPD).

Information was developed that SIRHAN SIRHAN practiced shooting at the San Gabriel Valley Gun Club, Duarte, California, on June 4, 1968. In that connection, arrangements were made with LLOYD HAGER, Range Manager, to obtain shell casings which are commonly referred to as "brass" from several of the firing positions at that gun club.

ALL
b7c
The shell casing made available by [REDACTED] of the LAPD and the shell casings obtained from the San Gabriel Valley Gun Club were forwarded to the FBI Laboratory for comparison purposes in an effort to determine whether or not the indentations made by the firing pin on the shell casings obtained from the San Gabriel Valley Gun Club are identical to the shell casing furnished by Captain MARTIN.

The FBI Laboratory advised on July 5, 1968, that in view of previous firearms examinations conducted by the LAPD and the apparent limited value of the resulting information to this case, the cartridge cases were not examined by the Laboratory and were returned to Los Angeles via Air Express on July 5, 1968.

The cartridge cases were turned over to the LAPD by SA [REDACTED] on July 16, 1968.
